REPORT OF LIBRARY TRUSTEES

The total circulation for the year as reported to us by the librarian has been 4509 adult and 1955 juvenile volumes.

The Library has been open as usual on Tuesday, Thursday and Saturday from 12 noon to 9 p. m.

We gratefully acknowledge the gift by Mrs. Mildred Weston of a framed map of Hancock drawn by the late John Lambert Weston.

The receipt by the town of the Emma Whittemore Gipson Memorial Fund should allow the Library to increase its services without any further appropriation from the town.

We wish to thank the many donors of books and magazines during the past year.

REPORT OF ELECTRIC LIGHT COMMITTEE

The electric line has been extended during the past year to serve the residences of Ruby Allen, Arnold Diamond and Hiram B. Marshall. Other new customers include John Haas, Joseph Patnaude, Constance Todd, Carroll Dow and William L. Johnson. A third wire was added to the services of Alfred Fairfield and Mrs. Cynthia Hurst.

The income for the year amounted to \$5,343.87, a part of this amount being adjustment of 1937 revenue. The final accounting for 1938 has not been received.

The hurricane of Sept. 21st caused serious damage to the lines, the cost of repairs to date being shown in our report. All the damage has not been repaired and we are asking for a larger appropriation for the electric light department as we anticipate a larger expense for repairs this coming year.

We have had a conference with officials of the Public Service Co. of New Hampshire and expect to have some proposition to present to the town at the annual meeting with reference to running a fourth wire from West Peterborough to the village to correct the low voltage condition.

We herewith submit a financial report for the year:

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL BOARD OF HANCOCK

I submit with this report the statistical summary for the school year 1937-1938, the report of Miss Margaret Harris, school nurse.

The enrollment of the Hancock schools at the opening of the term in September, 1938, was as follows:

Grades	I	II	III	IV	V	VI	VII	VIII	IX	X	XI	XII	Sp.	Total
Boys	11	5	3	2	8	4	9	3	3	4	0	3	1	56
Girls	5	9	5	9	7	3	2	3	5	4	3	4		59
Total	16	14	8	11	15	7	11	6	8	8	3	7	1	115

At the close of the school year in June Miss Nellie Welsh, who was unable on account of prolonged illness to teach last year, was offered her former position and accepted, but was unable to return. Mrs. Esther E. Colby of Hillsborough, who has had long experience in teaching in schools of several grades was elected to the position.

Due to the large number of pupils who were detained from school on account of being quarantined the work of the primary school was considerably upset, and much extra drill has been required during the present year to bring the grades up to the required standard.

The high school under the expert guidance of Miss Bertha Manchester, is one of the outstanding practice schools in the state.

The increased enrollment during the past two years has necessitated the purchase of a large number of new text books in order to adequately supply the needs of the pupils.

I wish to express my thanks and appreciation to the school board, teachers, pupils and all who have co-operated in carrying on the work of the Hancock schools.
